### **Principal's Comments (Scripter)**

- Hybrid is off and running! Felt like it well from the office/school side. Wish that we could offer more but this is likely where we will stay through the end of year. We are still able to make some accommodations for those interested in changing, but will not allow students to jump back and forth between hybrid and distance learning.
- We've raised over \$5000 for the AHA so far—thank you! The teachers seemed to actually enjoy getting a pie in the face!
- Summer school has been expanded to allow TK-4th graders. 5th could join the middle school group. It will be from June 7th through July 2nd.
- What is the principal working on? Possible ideas for a 5th grade promotion: something out on the upper grade blacktop and maybe work out a bbq still? Doing our best to make sure that kids continue to social distance though it is difficult for them to remember at times. Will start collecting chromebooks March 28-June 1. Sharon Kurk is retiring so will look at ideas to celebrate her. Also have state testing and ELPAC coming up. Kindergarten registration is ongoing.

### **Teacher's Report (Sowko)**

- Teachers are very happy to be back in hybrid. Excited to see students in person again!
- TK/K: Plants and insects, spring, reviewing sight words and letter sounds, reviewing addition
- 1st: We have been learning about habitats, r controlled vowels, and things in the sky.
- 2nd: We have been learning about flowers in Science, money and counting coins in Math, Arab American Heritage Month in Social Studies, and Figurative Language. Each student did a Women's History Report this month for Women's History Month.
- 3rd: Linking & Helping Verbs, Complex Sentences, California Indian Tribes, Settlers, Fractions, plural words, homophones, cause & effect
