## **VP Reports**

### VP Communication (Watanabe)

- Finished the virtual halloween parade and notified winners - Jody and Lindsey distributed prizes
- No reports from other PTA committees
- Castle - Konstella allowing transformation of the Road Runner to highlight new aspects of Strandwood
- Moving to Parent Square from School Messenger (Lindsey Dohlman)

### VP Programs (Schumacher)

- Should programs consider looking at bringing in any afterschool programs if we return this winter/spring? Scriptor advises waiting until spring/we know more about what we will be allowed to do per district guidelines.

### VP Ways & Means (Holt)

- Wrapped up the fall fundraiser with product pick up at school. The few items remaining were distributed from the office.
- Book fair is coming up, starting on the 9th. They will check to see if wish lists will be available to set up for teachers as well as books recommended for EDI.
- See's Candy fundraiser will also be starting this month on the 16th.
- Castle also noted that we have a Trivia Night coming up on the 14th. So far we only have three teams registered. Should we delay this until the spring? Maybe this isn't the best time?
  - Likely will postpone based upon feedback from this meeting
  - Will do a smaller Bidding for Good Auction for items that will expire before then; can also post photos of the kids that were taken and not purchased
  - Look for link coming out in the Roadrunner tomorrow, November 6th

### VP Hospitality (Taheeri)

- Most room parents have sent out their letter and consent form to their classes and are following up with them if questions arise

### Historian (Veltri)

- Normally we compile a list of volunteer hours using a log at school, however we have moved online with that process this year. Please fill out your hours for helping with any PTA programs, room parent involvement, assisting teachers in other capacities, etc!

## Unfinished Business

- None

## New Business/Recommendations of the Executive Board

- Bylaws Update – how the process will work (Schofield)
  - Tabled
- EDI Meeting update (Holt)
  - See Principal's comments for most info
  - Looking also to do cultural assemblies for arts/dance where the PTA could help with the cost
- How to address mental health at Strandwood. What can the PTA do?
  - What can be done both during distance learning and once back in the classroom? Scriptor and Castle have discussed raising funds for a counselor for our site as MDUSD currently is not providing one for us
    - District has reduced hours due to budget cuts at our site for PE, extra teacher, art, counselor due to “need” but not sure who determined that (Dohlman)
    - Social and emotional needs becoming more than academic needs with our current situation (Castle)
    - Parents should let the superintendent/board know that Pleasant Hill schools do need counselors; maybe we'd get them back! If we fund a counselor position, we would also be obligated to pay for their benefits as well if they are over 19 hours per week which could happen with the way employees are placed by the district now. We can also look at contracting someone to avoid the benefits situation. (Scripter/Lawson)
    - Think it would be best to really push the district for answers for now. Strongly encourage parents to email Dr. Clark regarding this! (Castle/Caicedo)
    - Also working on getting student counselors in training from JFK's internship program, though there is a lot of turnover as students move through the program (Dohlman)
- Partner Families Program (Watanabe/Taheri/Markowitz)
  - Trying to partner veteran families with our new families to help connect and answer any questions they may have as they navigate through the year.
  - Will gather info from those interested and create matches. Would be great if we could find families possibly in the same classrooms to help orient those looking for answers and connections!
  - Maybe match 2-4 new families with a veteran family to help try and make smaller cohorts
  - Office is willing to help set up groups if needed
  - Maybe also do a welcome back picnic with families involved
- Motion to approve Events Calendar as presented below by Lawson, seconded by Mallon and approved
